minimum limits mean. By the same token, the \$25,000 amount that Senator DeCamp is offering, likewise won't begin to touch those items. It simply won't do it. And that may be all that you have to look to, to try to recover something on account of the negligence of the person who struck you. If this is the best we can do, then we should do it. If we can do better, we should do that.

SENATOR CHRONISTER: Senator Barrett.

SENATOR BARRETT: Mr. President and members, as I stated during the Remmers debate, I am very, very much in favor of this increase from 15-30-and 10 to 25-50-and 25. It will increase the cost of insurance but I think it is time for the state to increase the limits. I believe this amendment offered by Senator DeCamp is in the public interest. I urge the body to support the amendment. Thank you.

SENATOR CHRONISTER: Is there further discussion on the DeCamp amendment? Senator DeCamp, do you wish to close? The issue at hand is the DeCamp amendment to the committee amendment. All those in favor, vote aye. Those opposed, vote red.

CLERK: Senator Chronister voting yes.
